

## Newest Roads & Rides

[SRs 424, 110, & 65: Defiance to Waterville \(Ohio\)](#) ... Nice scenery as most of the route stays along the scenic Maumee River ... Black Swamp Choppers, a custom chopper shop / bar / restaurant / tattoo shop ... have lunch and a beer and watch a chopper being built, or kick back on the patio. COOL STOP

[The Death Valley Run \(California\)](#) ... This is some of the most breathtaking, "extraterrestrial landscape" on the planet. There's hardly a thing growing out there higher than your knee yet it will be forever etched in your memory as not just one of the greatest motorcycle rides ever but one of the most beautiful as well. There's a place in the park where you can look down at one of the lowest points on earth

[Cedar Creek Rd. to the "Harley in the sky" \(Tennessee\)](#) ... you wind the Tennessee river back country, seeing everything from creeks, old farms, a civil war iron furnace to a Harley in the sky ... great 5 star road with everything from winding, hilly, to curving. Just what every biker wants

[Lancaster County Amish Area \(Pennsylvania\)](#) ... first 50 miles goes through mountains, small country towns ... last 50 miles goes through Amish Country with beautiful farmland settings in the heart of Amish country ... Blue Ball, Kinzers (has steam engine museum), Bareville, White Horse and more

[Nogales to Douglas \(Arizona\)](#) ... you are riding the Southwest through the I-10 corridor and have time to get off the interstate then this is an excellent detour through South Eastern Arizona's high desert, quarter-horse and Arabian country. This road features many exquisite, and sweeping vistas of the high-desert grasslands and mountains with peaks looming to nearly 10,000 ft near and far

[Enchanted Highway \(North Dakota\)](#) ... leads through rolling farmland and the small town of Gladstone. Giant metal statues are placed every few miles along the route with pulls that are good for taking pictures. The route ends in the small town of Regent where there is a museum that sells miniatures and other items

[Killdeer Mountain Four Bears Scenic Byway \(North Dakota\)](#) ... takes you through some of the best scenery in western North Dakota. Rolling hills and long climbs near Killdeer give way to rolling hills, the rugged Killdeer Mountains and finally the Badlands. The road twists its way down into the valley, its shoulders falling away sharply into the deep Badlands. The route, Highway 22, crosses Lost Bridge over the Little Missouri River

[Vernonia - Astoria back roads; highway 47 & 202 \(Oregon\)](#) ... lots of deep forest, some creeks, very little development along the route, small towns, great views and ridge top vistas, ocean views in Astoria ... Vernonia is a great little ride destination town (Amen site) with a couple decent eateries and a motorcycle shop (V&V leathers)

[MN-16 - Preston to Rushford \(Minnesota\)](#) ... this route closely follows the twisty Root River through some beautiful bluff country ... has a few hills, lots of long, sweeping corners and some slightly tighter twists and turns. The pavement is in good shape for the majority of the route

[Route 32 - Morehead to Louisa \(Kentucky\)](#) The views from the mountaintops are spectacular especially in the spring and the fall. In Lawrence County you ride beside Yatesville Lake.

[The Montauk Lighthouse Run \(on Rt 27\) \(New York\)](#) ... "Beautiful wine orchards, and farms with green pastures, you will also see white-tailed deer, red tailed hawks, and fox along the roads eating or running in the fields. In January, could see the Harbor Seals basking on the rocks or eating herring by the shore. At the end you'll get to see and take a tour of Montauk Lighthouse"

[US 219 Elkins to Summersville \(West Virginia\)](#) ... start into the

### Let's Ride - Motorcycling in Arkansas

**Cast your vote for  
the best motorcycle  
rides in America**

**Quickly and easily tell your friends about these new motorcycle roads!!**

Just click on the "forward to a friend" link at the bottom of this newsletter and you can quickly and easily get this information to your motorcycle riding friends.

hills with numerous pull-offs to stop and admire the views. At the top is the Elk River Ski Resort at Salty Fork. The hills flatten out slightly as you turn east on 39/55 through the beautiful Monongahela National Forest toward Summersville

[Superior, Winkelman, Globe triangle \(Arizona\)](#) ... the route changes elevation from 2500 to 5000 feet with corresponding changes in flora and geology. It is beautiful, different on each of 3 sides

[South Bend to Four Winds Casino Run \(Indiana\)](#) ... farm country including some Amish Territory. Small rolling hills and partial lush forest areas as you are on the border between Indiana and Michigan. Fall is an especially beautiful time on this run ...

[Rt 42 - Virginia Mountains \(Virginia\)](#) ... the longest state road in VA. It runs from just north of Bristol VA (Glade Spring Rt 91) to Woodstock VA. 42 is west of I-81 and you will visit a lifestyle of Virginia that is lost in time. The ride is very mountainous, full of very small towns

[SR-198 - Coalinga to San Lucas \(California\)](#) ... climbs up along the coastal range as you travel west from Coalinga to San Lucas. The higher it climbs the more wooded it becomes. The scenery ranges from pasture to forest. At about the halfway point of the 198 is the southern end of SR-25 which is an absolutely beautiful road

[Highway 1 - San Mateo Coast \(California\)](#) ... This is the edge of the continent, folks. Any farther west requires a wetsuit. You will have views of the Pacific to your right and wooded hills and farmland to your left. In Spring, you'd swear you're in Ireland

[Highway to Heaven - Route 56 Loop \(Montana\)](#) ... a great day loop or overnight. Roads are best from May 15 through September, if the weather holds out. You can call the Golden Nugget Tavern to find out what the roads are like in the Troy area -

[Scenic SR-13 \(just south of Jacksonville\) \(Florida\)](#) north or south along SR-13 the St Johns River is often in plain site. There are numerous small communities as well with several parks. Lots of live Oaks and other shady trees make this a great ride -

[Valley of Fire Loop - NE of Vegas \(Nevada\)](#) Awesome scenery throughout the ride. Views of unusual rock formations and parts of Lake Mead are visible from several parts of the route -

[The 800-250 Loop \(Ohio\)](#) rolling hills and farmland combined with three lakes and dams ... a little bit of it all. Good roads, hills, gradual curves and straights to keep you wanting more -

[PA26 - MD border to Everett \(Pennsylvania\)](#) mixed bag of farmland and woods. The best part about this little hidden away run is the solitude ... I have ridden this little route several times throughout the year and have seen literally four other vehicles in either direction -

**Join the fastest growing Motorcycle Rider social network on the Internet!**

Are you a member of one of the social networks that are exploding on the Internet like Facebook or MySpace? MotorcycleMyPlace is *a social networking site created specifically for the motorcycle riding community*. It offers a place where you and other motorcycle riders talk bikes, roads, opinions and stories ... a place where riders share their favorite pictures and videos ... and where group rides are organized and friends are made. *It's free, easy to explore, and only for motorcycle riders!* Check it out at [www.MotorcycleMyPlace.com](http://www.MotorcycleMyPlace.com).

A promotional banner for MotorcycleMyPlace. At the top, a horizontal strip of small images shows various motorcycles and riders. Below this, the text "MotorcycleMyPlace" is written in a large, bold, white font with a blue outline and a drop shadow. Underneath the title, there are three main visual elements: on the left, a screenshot of the website's user interface showing a member profile; in the center, a film strip graphic containing a video of a motorcycle on a road; and on the right, a collage of several photographs of motorcycles and riders. At the bottom of the banner, the text "Member Profiles, Rider Groups & Events, Motorcycle Pics, Videos, & Discussions" is written in a red, italicized font.
