

## MCR Mobile is Now Ready For Your Android!

\*You are receiving this email because you signed up to be notified when MotorcycleRoads Mobile (MCR Mobile) became "Android friendly."

Just in time for the **2012 riding season**, we are happy to announce that the MCR Mobile web app is **now ready for Android devices!**

After a lot of research and code tweaking & testing MCR Mobile Version 1.2 is now capable of running on both iOS devices (ex. iPhone) and Android devices (ex. Droid phones).

**To sign up**, just fire up your Android device, go to <http://www.motorcycleroads.com/mobile/>, click on the "Buy it now" link, and follow the sign-up/payment instructions.

*Hurry ... the introductory price of \$2.99 is only available for a limited time!*

Have a safe & enjoyable riding season!
